7. Location of the Project/Scheme:	
(i) State/Union Territory	Bihar
(ii) District	Gaya
(iii) Forest Division	Gaya Forest Division, Gaya
(iv) Area of Forest Land Proposed for Diversion (in ha.)	0.01875 Hectare. The user agency applied for diversion of 0.01875 Hectare area of protected forest land for construction of inlet and outlet.
(v) Legal Status of Forest	The Proposed project area is passing through Sherghati range, Sherghati-Cherki road and has been notified as Protected Forest for management purpose by Environment, Forest and Climate Change Department, Government of Bihar vide S.O. No. 400 dated 31.12.1996. (Notification annexed as annexure I)
(vi) Density of Vegetation	0.1
(vii) Species-wise (Scientific names) and diameter class-wise enumeration of trees (to be enclosed. In case of irrigation/hydel projects enumeration at FRL-1, FRL-2 meter & FRL-4 meter also to be enclosed.)	Four trees were found on the proposed site. (annexed as annexure II)
(viii) Brief note on vulnerability of the forest area to crosion	Generally, the project area is vulnerable to medium soil erosion due to intrinsic geological features of the substrate during rainy season.
(ix) Approximate distance of proposed site for diversion from boundary of forest	The proposed project area is passing through Protected Forest area along, Sherghati-Cherki road.
(x) Whether forms part of National Park, Wildlife Sanctuary, Biosphere Reserve, Tiger Reserve, Elephant Corridor etc. (If so, the details of the area and comments of the Chief Wildlife Warden to be annexed.	No. The proposed project area is only notified Protected Forest and does not form part of any National Park, Wildlife Sanctuary, Biosphere Reserve, Tiger Reserve, Elephant Corridor etc.
(xi) Whether any rare/endangered/unique species of flora and fauna found in the area. If so, the details thereof.	Nilgai is found naturally and free distributed across the Gaya district in the farmlands. Animals like jackal, hair, Common Langur etc are found in the nearest forest areas. The undersigned is of the opinion that the proposed project will not affect the distribution or movement of any wild animals found in the area. So far, no case of wildlife death has been reported on the proposed site. Nevertheless, the crop raiding Nilgai is present in the adjoining areas of the forest boundary.
(xii) Whether any protected archeological/heritage site/defense establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority, if required.	As per my knowledge, the enquiry report of the Forest officials and the information provided by the user agency, there is no record of any protected archaeological/heritage site/defense establishment or any other important monument located in the area of the proposed project.

13. Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons.

This is the bare minimum forest land required for the project. The amount realized from the user agency in the form of NPV shall be utilized for conservation, protection, and management of forest in this division. The green belt will be created through the amount realized from the user agency as Compensatory afforestation work and it will help in the increasing green cover.

The proposed area involves diversion of 0.015 Hectare in Gaya Forest Division, Gaya. This is the bare minimum of forest land required for the project and has no other alternative to bye-pass. Diversion of this forest land area for the project (Non-Forestry activity) may not much affect the local flora of the area. The User Agency has not violated the prescribed provisions of the Act till the date of inspection.

In light of the above mentioned facts and keeping the cognizance that Gaya District falls under the Naxal Affected area and as per the prescribed provisions, I recommend positively for the approval of this proposal. Therefore this proposal for diversion of forest land may be approved with necessary conditions directions.
