

13. Recommendations of Deputy Conservator of Forests -

The proposed M. I. Tank is located at village Nirukhe, Taluka- Kudal, District- Sindhudurg. The project is demanded by the villagers for irrigation and drinking water purpose. For this project reserved forest land needs to be acquired. There is no single source for irrigation and drinking purpose for Nirukhe village. This is the unique site for the project, so the project is recommended.
