

PART – IV

(To be filled by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department)

Detailed opinion and specific recommendation of the State Forest Department for acceptance of otherwise of the proposal with remarks.

(While giving opinion, the adverse comments made by the concerned Conservator of Forests or Deputy Conservator of Forests should be categorically reviewed and critically commented upon).

Diversion of 69.41 ha. of forest land for construction of 400 KV D/C Xeldem to Mapusa Transmission line in North Goa Division, is recommended considering the essential public utility of the project and non-availability of any alternative land.
