The proposal, "Construction of 70 mtr span permanent bridge with steel superstructure over Kishan Ganga River and approach road at Km 66.950 on B-G road" required by HQ 56 ROAD CONSTRUCTION COY (BEACON-BRO) involves diversion of forest land to the extent of **0.45 ha** as verified jointly by the User Agency and DFO Bandipora Forest Division. The facility is urgently required by the BEACON-BRO for better movement of Defence personnel as well as civilian population of the area, since no alternative feasible non-forest land is available for the purpose. It is an essential requirement for the purpose of construction of a permanent bridge to replace the old vintage bridge at Km 66.950 on B- G road.

It is recommended that the proposal may be approved.
