

KARNATAKA FOREST DEPARTMENT

No.D1/land/FC-40060/CR-07/2020-21

Office of the
Deputy Conservator of Forests,
Belagavi Division, Belagavi,
Dated:19-09-2020

Sub: Construction of Foot Bridge across a local Nala on
alternative pathway connecting from Nersa village to
Kongala and Gavali village in Khanapur taluka.

Proposal No. FP/KA/Approach/40060/2019

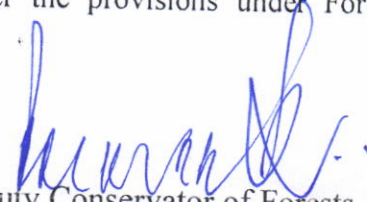

Recommendation Certificate

I have inspected the proposed site along with the Assistant Conservator of Forests, Khanapur Sub Division and staff on 19-09-2020, the proposed forest area diversion for construction of foot bridge is in forest Survey No. 110 of Nerasa village Londa Range Khanapur Taluk.

As the foot Bridge is very much required for the Kongala and Gavali villagers to cross the rivulet during rainy season, Otherwise villagers movement is restricted during rainy season and will be deprived of basic facilities. The total forest area required for construction of foot bridge is 0.11 Ha.

Hence I recommend the diversion of 0.11 ha. of Forest land in Sy No 110 of Nerasa village for the purpose of construction of foot bridge as per the provisions under Forest (Conservation) Act-1980.
