

### **Specific Recommendations of District Forest Officer**

The proposal No. FP/TR/REHAB/50604/2020 Proposal for diversion of 25.00 ha Forest land for settlement of BRU migrant under North Tripura District forest division.

**Recommended with the following conditions:-**

1. The damage to the forest during construction activities should be minimum and also without affecting the adjacent patches of plantation/ Forests.
2. Parts of the area proposed for diversion are prone to soil erosion so if needed the user agency should bear the expenditure incurred for soil stabilization measures and also to avoid the soil erosion and landslides during construction.
3. A Walk in aviary may be set up in Kanchanpur sub division for an amount of 70 Lakhs for the conservation of the various birds and for the creation of awareness among the people which may be placed by the user agency for the purpose.
4. There needs proper fencing of the proposed land for diversion with chainlink fencing, the tentative estimate towards the Chain link fencing would be 36.24 Lakhs which may be placed by the user agency for the purpose.
5. Only the required number of trees that needs to be felled may be felled during the implementation of the project.
