**SITE INSPECTION NOTE OF Dr. S.J.ASHA, I.F.S.,
DISTRICT FOREST OFFICER, RAJANNA SIRCILLA & KARIMNAGAR**

It is submitted that, as per instructions issued, the proposals have been verified with reference to the FC Act, 1980 guidelines in detail for "Diversion of 0.803 Ha. Forest land in Dacharam CA land (To be notified) in Rajanna Sircilla District for Construction of Sri Ranganayakasagar Project Package-11 in Rajanna Sircilla in favour of I & CAD Department.

It is submitted that, the proposed diversion area is falling in Sy. No. 433/1/2 of Dacharam CA land of Peddalingapur Beat of Sircilla Section of Sircilla Range of Rajanna Sircilla District, which was allotted under Kaleshwaram Lift Irrigation Project. The total area of the Dacharam C.A. Block is 109.60 Ha., On perusal of the proposals, it is observed that, if the land is diverted for the above said purpose, the Dacharam C.A. Block will be divided into (04) patches. The area details are as follows:

➤ Patch-I	-	59.903 Ha.,
➤ Patch-II	-	0.728 Ha.,
➤ Patch-III	-	0.127 Ha.,
➤ Patch-IV	-	48.043 Ha.,

Further as per the Geo-coordinates furnished by the User Agency, the area is arriving 0.799 Ha., but the User Agency has submitted the proposals for 0.803 Ha.,

Hence, User Agency was requested to identify an extent of 1.658 Ha, adjacent to Dacharam CA Block, to facilitate notification of Dacharam CA Block as Block -I and Block -II, as there is a shortage of 1.658 Ha area, due to this diversion and the Government of India may object at the time of compliance of Kaleshwaram Lift Irrigation Project.

Further, it is submitted that, the User Agency has submitted undertaking for an area of 1.658 Ha of Non-Forest land in Sy.No.433 of Dacharam Village of Ellanthakunta Mandal, Rajanna Sircilla District.

Further, it is observed that, there is 39 Nos., Narlinga (Albizia amara) trees in proposed forest area. The density of the forests area is less than 0.4. The proposed site is not falling in National Park, Wildlife sanctuaries.
