**14. Whether site, where the forest land involved is located has been inspected by the concerned Conservator of Forests (Yes/No). If yes, the date of inspection and observation made in form of inspection note to be enclosed.**

- Yes, the proposed area of Ranga RF was inspected by the undersigned on 23/11/2021. (Inspection report enclosed).

**15. Whether the concerned Conservator of Forests agree with the information given in Part-B and recommendations of Deputy Conservator of Forests.**

- Yes, agreed with the information given by the DFO, Lakhimpur Division in Part-II

**16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with details reasons.**

- The construction of 132 KV D/C Pare HEP to Lakhimpur Transmission line is a Govt. of India Project having National interest. It will improve overall power scenario of the North-Eastern region without causing major damage of the forest and environment provided some mitigation measures are taken by the User Agency as per guideline of F.C.Act,1980. As the forest area proposed for diversion is unavoidable and barest minimum required for the project, therefore, the diversion of the forest land as above is recommended for acceptance subject to mitigation measures to safeguard wildlife and fulfillment of other terms and conditions under the F.C.Act .
