

DEPUTY CONSERVATOR OF FORESTS,
BANNERGHATTA NATIONAL PARK,
BENGALURU.

SITE INSPECTION CERTIFICATE

This is certify that, I have inspected the project site on 22.02.2021 in Kodihalli Wildlife Range, Bilikal State Forest, Village Sy No.1 (Maralavadi Hobli), Kanakapura Taluk, Ramanagara District. The proposal for diversion has been recommended for approval as the requirement is barest minimum and the Pipeline goes beneath the ground and the underground pipeline project is helpful to the local people, and adjoining villagers for drinking water purpose in vicinity of National Park. The underground pipeline water project supply drinking water to 298 villages. The project site is, flat comprising rocks and sparse bushes.

Deputy Conservator of Forests,
Bannerghatta National Park,
Bangalore.
