No. 345/8m -

Dated: 17-05-2018

## **RECOMMENDATION REPORT**

### **TO WHOMEVER IT MAY CONCERN**

Considering the fact that Forest land area of 0.562 Ha. applied for diversion by Indian Oil Corporation Ltd. in Tikarbata Mouza is the barest minimum needed for laying of underground oil pipeline in an economical way. There are only 25 nos. of *Acacia auriculiformis* trees of the girth class 31-60 cm existing in the land applied for diversion. It does not form part of any endangered wildlife habitat.

Hence the proposal is hereby recommended for approval.

**(Hari Krishnan, IFS)**  
Divisional Forest Officer,  
Birbhum Division
