DEPARTMENT OF ENVIRONMENT & FORESTS
ITANAGAR**

No.FOR.313/Cons/2010/ 2933-36

Dated 29th June, 2018

To

The Assistant Inspector General of Forests (FC)
Government of India,
Ministry of Environment, Forests & Climate Change
Indira Paryavaran Bhawan, Aliganj, Jor Bagh Road
New Delhi- 110003

Sub: Proposal for change in location of two patches "PH quarry site" of 0.5 ha and "Intake quarry site" of 0.3 ha to another location" in respect of (186 MW) Tato-I Hydro Power Project being developed by M/s Siyota Hydro Power Private Limited (SHPPL) in West Siang District of Arunachal Pradesh.

Ref: Proposal No.FP/AR/HYD/262244/2017 dtd.16th June'2017.

Sir,

Please find enclosed herewith a proposal submitted by M/s Siyota Hydro Power Pvt. Ltd. seeking permission for relocation of PH quarry site of 0.5 ha and Intake quarry site of 0.3 ha to another location.

In this connection it is to submit that the Ministry has accorded in- principle approval for diversion of 52.8 Ha of forest land for construction of Tato- I HEP (186 MW) in West Siang District of Arunachal Pradesh by M/s Siyota Hydro Power Pvt. Ltd., vide letter no. F.No-8-102/2013-FC dated 27th October' 2015.

Further it is to inform that as per the statement of User Agency, in the earlier proposal, "PH quarry site" is 0.5 ha at Heyo village and "Intake quarry site" is 0.3 ha at Gapo village, do not fulfill the technical requirement of the project and found not useful for construction purpose. These quarries have been proposed to be relocated with same area to Padusa & Meying village respectively. The said relocated new two quarry sites fall in Unclassified State Forest (USF) and there is no change in diversion of forest land of 52.8 ha for construction of Tato-I Hydro Electric Project (186 MW). An application for the above changes has been applied online by the User Agency vide proposal No.FP/AR/HYD/262244/2017 dtd.16th June'2017.

The proposed change in land & layout plan is against the spirit of conditions mentioned at Sl. No. xiii & xiv of Ministry's In-Principle approval letter dtd.27th October'2015. The approval of the Ministry of Environment, Forest & Climate Change, Govt. of India is required for change in location of PH quarry site of 0.5 ha from Heyo to Padusa village and intake quarry of 0.3 ha from Gapo to Meying village.

Continued...

In view of above, it is requested to kindly consider the proposal and M/s Siyota Hydro Power Private Limited may be allowed to change the layout plan of the project and relocate the land for the purpose as mentioned above.

Enclosure:

1. Revised layout plan along with shape file
2. Acknowledgement slip.

Yours sincerely,

(A.K. Shukla)
