

Part-III

(To be filled by concerned Conservator of Forests)

14. Whether site, where the forest land involved is located, has been inspected by the concerned Conservator of Forests (Yes/No). If yes, the date of inspection and observation made in form of inspection note to be enclosed.

- No. Could not be inspected due to urgency in submission of the proposal and time constraints.

15. Whether the concerned Conservator of Forests agrees with the information given in Part-II and recommendation of the Deputy Conservator of Forests.

- Yes.

16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal of details reasons.

- (i) The proposed diversion of DCRFs and RF areas is required for infrastructural development in this region i.e. widening of road in the remote district of Karbi Anglong as a part of Nation Development and therefore, is important.

(ii) The project as is evident from the Divisional Forest Officer's report has the component of Compensatory Afforestation which with proper choice of indigenous and endemic species, will lead to creation of at least some forest.

(iii) In view of the above, the proposal may be accepted based on the recommendation of concerned Divisional Forest Officer i.e. Divisional Forest Officer, Karbi Anglong East Division, observing all existing rules and regulations, Acts and procedures.
