

# Site Inspection Report

A proposal has been received by this office from GAIL (User Agency) under FC Act for diversion of 1.8789 Ha forest land for non forestry purpose. The project envisages the use of forest land for Jagdishpur-Haldia-Bokaro-Dharma Gas Pipeline. The site inspection of the land involved in the proposal has been done by undersigned on 11.10.2018 It is found that the land required by User Agency is sal forest which includes Protected Forest as well as GMJJ measuring 1.8789 Ha. During site inspection it has been found that 332 trees (submitted in enumeration list) are present on the said land which need to be either removed or get trimmed.

No protected archaeological/heritage site/defense establishment or any other important monuments were located on the said project area.

No rare/endangered unique species of flora and fauna were found during the inspection in the diverted area for the said project.
