The area proposed for diversion in favour of Executive Engineer (R & B), NH Division, Kadapa falls in Compt. No. 253 of Kavalakunta Extn. A & B RF, Tekurpeta Beat, Porumamilla Range. Most of the area proposed for diversion comprises thorny bushes and mostly devoid of vegetation. The proposed diversion area for upgradation of paved shoulders to a width of 5.00 mts on either sides over a length of 8.00 Kms to the existing BT road will not have any impact on the flora and fauna. There is no impact of the project on the adjoining forests. There is negligible destruction / damage or diversion of the habitat for flora and fauna by this project. The proposed area is hilly terrain

Hence it is recommended to consider the proposals in the interest of public as the minimum possible option for diversion of 11.03 ha in Compt. No. 253 of Porumamilla Range for upgradation of NH-167 B from Porumamilla (Kadapa District) to Chandrassekharapuram in Nellore District to two lane with Paved shoulders in the State of Andhra Pradesh in favour of Executive Engineer, R & B, NH Division, Kadapa.
