

FORM A
PART- II

(To be filled by the concerned Deputy Conservator of Forests)

State serial No. of proposal: FP/AR/HYD/48835/2020

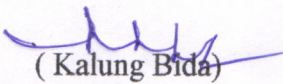

7.	Location of the Project/ Scheme	Ressing HEP (12 MW) by M/s Gekam Power Private Limited															
i)	State/ Union Territory	Arunachal Pradesh															
ii)	District	Papum Pare															
iii)	Forest Division	Sagalee Forest Division															
iv)	Area of forest land proposed for diversion in ha	<table border="1"> <thead> <tr> <th>Sl No</th><th>Type of Land</th><th>Area in Ha</th></tr> </thead> <tbody> <tr> <td>1.</td><td>Surface area</td><td>1.44</td></tr> <tr> <td>2.</td><td>Riverbed area</td><td>0.06</td></tr> <tr> <td>3.</td><td>Underground area</td><td>0.83</td></tr> <tr> <td></td><td>Total</td><td>2.33</td></tr> </tbody> </table>	Sl No	Type of Land	Area in Ha	1.	Surface area	1.44	2.	Riverbed area	0.06	3.	Underground area	0.83		Total	2.33
Sl No	Type of Land	Area in Ha															
1.	Surface area	1.44															
2.	Riverbed area	0.06															
3.	Underground area	0.83															
	Total	2.33															
v)	Legal status of Forest	Unclassified State Forest (USF)															
vi)	Density of Vegetation	Dance forest=0.4, Forest type: Sub-Tropical Broad-Leaved Hill Forests, Eco class-V															
vii)	Species-wise (Scientific names) and diameter class-wise enumeration of trees (to be enclosed. In case of irrigation/ hydel projects enumeration at FRL, FRL-2 m and FRL-4 meter also (to be enclosed).	At FRL- Annexure-I At FRL -2 Meters-Annexure-II At FRL -4 Meters-Annexure-II At area other than Submergence- Annexure-IV															
viii)	Brief note on vulnerability of the forest area to erosion	The proposed area for diversion is mostly rocky, has vegetation cover and is not prone to erosion. The topography seems to be fairly stable.															
ix)	Approximate distance of proposed site for diversion from boundary of forest.	The proposed project site is approx 1.5 Km away from Papum Reserve Forest (R.F.), approx 0.5 Km away from Langruk Village Forest Reserve (VFR), approx 23.42 Km away from Itanagar WLS.															
x)	Whether forms part of national park , wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor etc.	No, the proposed site for the Ressing Hydro Electric Project dose not from part of a National Park, Wildlife Sanctuary, Biosphere Reserve, Elephant Corridor ect.															
xi)	Whether any rare/ endangered unique species of flora and fauna found in the area if so details thereof.	No such endangered unique species of flora & Fauna were found in the areas. Enclosed as Annexure-V															
xii)	Whether any protected archaeological/ heritage site/ defense establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority, if required.	None comes under the project area.															

8.	Whether the requirement of forest land as proposed by the user agency in col. 2 of part-I is unavoidable and barest minimum of the project. If no, recommended area item wise with details of alternatives examined.	Yes, the requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is barest minimum for the project.
9.	Whether any work in violation of the act has been carried out (yes/ no). If yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress.	No, any work in violation of the act has been carried till the time of Survey.
10.	Details of compensatory afforestation scheme	
i)	Details of non-forest area/degraded forest area identified for compensatory afforestation, its distance from adjoining forest, number of patches, size of each patch.	An area of 1.5 ha X 2= 3.0 Ha is proposed in Langruk VFR under Leporiang Forest Rang in Sagalee Forest Division for rising of compensatory afforestation, location, distance, size, etc. shown in the map enclosed in Annexure-VI
ii)	Map showing non-forest/degraded forest area identified for compensatory afforestation and adjoining forest boundaries.	Enclosed in Annexure-VI
iii)	Detailed compensatory afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc.	Enclosed in Annexure-VII & VIII
iv)	Total financial outlay for compensatory afforestation scheme.	Rs.9,77,400/-
v)	Certificates from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forests).	Enclosed in Annexure-IX
11.	Site inspection report of the DCF (to be enclosed) especially highlighting facts asked in col. 7 (xi, xii), 8 and 9 above.	The site inspection was undertaken and following observations were made. Enclosed in Annexure- X
12.	Division/District Profile:	
i.	Geographical area of the district.	1565.0Sq.Km.
ii.	Forest area of the district	a) Reserved Forests: 62.48 Sq.KM b) Unclassed State Forest: 1502.52 Sq. Km
iii.	Total forest area diverted since 1980 with no. of cases	265.994 Ha. Details enclosed in Annexure-XI
iv.	Total compensatory afforestation stipulated in the district/division since 1980.	
	a) Forest land including panel compensatory afforestation	1137.68 Ha. Details enclosed in Annexure in Annexure-XII

	b) Non forest land	Nil
v.	Progress of compensatory afforestation as on (date)	
	a) Forest land:	302.52 Ha. Details enclosed in Annexure -XII
	b) Non-Forest land:	Nil
13.	Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons.	The project is expected to cater power requirement and provide employment to the local people. The cost of CA and NPV of the diverted forest area shall be paid by the user agency; proposal for diversion of Rassing HEP (12MW) may be accepted and is therefore recommended for granting forest clearance under Forest (Conservation) Act' 1980.

Date: 31.08.2020
