Forest area / Land proposed for diversion- Total 248.5515 Hectare

District-Bharatpur

Forest Devlsion-Bharatpur

1. Whether site, where the forest land involved is located has been inspected by concerned Chief Conservator of Forest (Yes/No). If yes the date of site inspection & observations made in form of inspection note to be enclosed.

Yes, Site Inspection Report enclosed.

2. Whether the concerned Chief Conservator of Forest agree with the information given in Part-B and the recommendations of Deputy Conservator of Forest.

Yes, Agreed

3. Specific recommendations concerned Chief Conservator of Forest for acceptance or otherwise of the proposal with detailed reasons.

“This proposal includes 248.5515 ha. of Bansi pahadpur block in addition to the already in process 398.0085 hac. diversion proposal and this leads to diversion of whole Bansi Pahadpur block i.e. 646.56 ha. This project looks quite useful and necessary for government and public welfare in the region and also legal mining will be started in these areas which were highly sensitive for illegal mining. This project can become a flagship project as far as balancing development and environment considerations are concerned. Hence, considering the larger good and overall benefits to the state and society, the project is recommended and the proposal may be sanctioned for mining purpose.”
