The sloth bear, striped hyena, spotted deer, common mongoose and common varieties of snakes are found in the adjoining hilly areas. The Indian hare (<i>Lepus nigricollis</i>), also known as the Black-naped Hare, is a common species of hare found in the in and around the project area. Nilgai/blue bull (<i>Boselaphus tragocamelus</i>) and The Common Jackal (<i>Canis aureus aureus</i>), is found naturally and free distributed across the Gaya district in the farm lands. Apart from that local birds are abundant in the areas. The undersigned is of opinion that the instant proposed project will no way affect the distribution or movement of any wild animal found in the areas where it is found. The area has the presence of different kinds of snakes. So far no such any cases of wildlife death reported in the in the proposed site.
(xii) Whether any protected archeological/heritage site/defense establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority, if required.	No such monuments or defense establishment located in the proposed areas.

44

Whether the requirement of forest lands proposed by the user agency in Col. No. 2 of Part-I is unavoidable and barest minimum of the Project. If no, recommended area item-wise with details of alternatives examined.	The requirement of forest land as proposed by the user agency in Col. No. 2 of Part - I is unavoidable and barest minimum of the project. Actual area involved in the project is 1.10 ha. Due to unavailability of suitable government land and due to security threat the proposed project authorities want to establish their building near to bankebajar thana.
9. Whether any work in violation of the Act has been carried out (Yes/No). If yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress.	The User Agency has not violated the prescribed provisions of the Act.
10. Details of compensatory afforestation Scheme : (i) Details of non-forest area/degraded forest area identified for compensation.	The compensatory afforestation work actually will be carried out in Bankebazar Circle, Mauza Lutuwa, thana no. 249, Katha no. 331, Kesara no. 1658, area 1.10 ha, Geir Majarua Malik (Ownwership), Nature of land (purani Parthi) which is proposed by the District collector, Gaya (leter no. 2317/Rev. dated 15.7.2015.)
(ii) Map showing Non-Forest/degraded Forest area identified for compensation.	Map is attached with CA scheme - Annexure-III of the Part-II) GPS reading is annexed as Annexure IV
(iii) Detailed compensatory afforestation scheme including species to be planted, implementing agency. Time schedule, cost structure etc.	Model scheme Attached- Annexure-V of the Part-II). The species to be planted will be guided by the local soil factor. The proposed compensatory afforestation will be implemented by Gaya Forest Division. The time schedule depends on the final approval (stage II) of this project.
(iv) Total Financial outlay for compensatory afforestation scheme.	Rs 1468172(Rs. Fourteen lakhs sixty eight thousand one hundred and seventy two only.) <i>PL. 1294761-084</i>
(v) Certificates from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forests).	The suitability of area identified for compensatory afforestation and from management point of view is attached in Annexure-VI of the Part-II).
11. Site Inspection report of DCF specifically highlighting facts asked in Col. Nos. 7 (xi, xii), 8 & 9 above.	Attached- Annexure-VII of the Part-II).
12. Division/District Profile :	
(i) Geographical area of the district.	4976 Sq.K.m.
(ii) Forest area of the district	816.66 Sq.km
(iii) Total Forest area diverted since 1980 with number of cases	204.07 Ha in 19 proposals
(iv) Total compensatory afforestation stipulated in the district/division since 1980 on:	
(a) Forest land including penal compensatory afforestation.	231.44 ha
(b) Non-Forest land	-
(v) Progress of afforestation as on (01.4.2015)	69.12 ha completion work is going on (2015-16). Remaining areas-
(a) Forest land	Compensatory afforestation works were completed and maintenance works are going on.
(b) Non-Forest land	Nil

specific recommendations of the DCF
acceptance or otherwise of the proposal
in reasons.

In order to construct new block development office-
cum- circle office and residential complex for officers
and staffs in village tandwa, within Imanganj Range,
Bankebazar beat, Sinhpur Sub beat, Mauza:- Tanwa,
thana no. 293, Revenue thana- Serghatti, cadestral plot no.
4, chak katha no. 485, kesara no.140(p) for which the
forest area of 1.10 ha is required in notified protected
forest land. Bihar state in general and Gaya District in
particular highly naxal affected area in which the Block
and Circle office proposed to establish near to
bankebazar Thana for the safety as well as the public
convenient.

The amount realized from the user agency in the
form of NPV shall be utilized for conservation,
protection, and management of forest in this division.
The degraded forest land will be afforested through the
amount realized from the user agency as Compensatory
afforestation work and it will help in the increasing green
cover.

The equal non forest land has been proposed for
transfer too forest department by the District collector,
Gaya. The compensatory afforestation work will be
carried out in Bankebazar Circle, Mauza Lutuwa, thana
no. 249, Katha no. 331, Kesara no. 1658, area 1.10 ha,
Geir Majarua Malik (Ownwership), Nature of land
(purani Parthi)

The proposed area involves diversion of 1.10ha in
Gaya Forest Division, Gaya. This is the barest minimum
of forest land required for the instant project and has no
other alternative to bye-pass. Diversion of these forest
land areas for this project (non forestry activity) may not
much affect the local flora of the area. In the light of the
above mentioned facts and as per the prescribed
provisions I recommend positively for the approval of
this instant proposal. Therefore this instant proposal for
diversion of forest land may be approved with necessary
conditions and directions.

Date: 8.1.2016
Place: Gaya
