

### **Specific Recommendations of District Forest Officer**

The proposal No. FP/TR/REHAB/50666/2020, Proposal for diversion of 25.00 ha Forest land for settlement of BRU migrant under North Tripura District forest division.

**Recommended with the following conditions:-**

1. The damage to the forest during construction activities should be minimum and also without affecting the adjacent patches of plantation/ Forests.
2. Parts of the area proposed for diversion are prone to soil erosion so if needed the user agency should bear the expenditure incurred for soil stabilization measures and also to avoid the soil erosion and landslides during construction.
3. As a special effort towards ex situ conservation an amount of 20 Lakhs which may be placed by the user agency for the purpose.
4. Further for patrolling in and around of the area there shall be a requirement of a vehicle (TATA-407 4 wheel drive) along with other instruments such as chainsaw, water proof rope, portable generator set etc for an amount for Rs 21 Lakhs, which may be placed by the user agency.
5. There needs proper fencing of the Proposed land for diversion with chainlink fencing, the tentative estimate towards the Chain link fencing would be 21 Lakhs which may be placed by the user agency for the purpose.
6. Only the required number of trees that needs to be felled may be felled during the implementation of the project.
