Memo no: 24 /2M-84 Dated: 12.01.2022

**Site Inspection Report of Chief Conservator of Forests, Northern Circle, West Bengal**

Inspected the proposed site for OFC Installation on 12.01.2022. The proposed land for diversion in favour of Reliance Jio Infocomm Ltd. is 0.0348 Ha. under Chalsa Range of Jalpaiguri Forest division. There is no clearance of vegetation involved and no requirement of felling of trees, hence no significant damage to wildlife habitat.

There is no objection to this project of underground OFC Installation as proposed, being bare minimum, it is recommended for acceptance.

S. Gajamer, IFS  
Chief Conservator of Forests  
Northern Circle, West Bengal.
