I have inspected the Puthupattinam Bit I Reserve Forest village situated on the Thandavankulam, Puthupattinam, Palaiyar and Madavamedu on 14.07.2021 and found that it is not having any connectivity to the main road. The people of Thandavankulam and Kottaimedu and adjoining villages are put to unnecessary hardships for meeting their daily requirements. The school students have to walk 1 km to reach their school. The elected representative have also requested the District Collector to provide road to the villages. Since it is a genuine requirement, it can be permitted within the guidelines of Forest Conservation Act 1980.
