

### Site Inspection Report of the CCF

A proposal involving diversion of 0.1672 ha forest land in Daria Reserve Forest has been received from Power Grid Corporation India Ltd, Norther Region-II, Transmission Line Officer, 220/66 KV substation, Kishangarh, Manimajra Road, near IT Park, Manimajra, Chandigarh. The project envisages the use of forest land for construction of 220 KV U/G Cable T/L at Hallomajra between Village Raipur Khurd and Makhanmajra, Hallomajra Beat, Nepli Range, Chandigarh. The site inspection of the land involved in the proposal has been done by me on 19.06.2018.

The requirement of forest land as proposed by the User Agency is unavoidable and is barest minimum required for the project. No any rare/endangered/unique species of flora and fauna found in the area.

The User Agency has not violated the provisions of the Forest (Conservation) Act, 1980 and no work has been started without sanction. Since the project is in larger public interest, it is recommended for approval.
