### SITE INSPECTION REPORT

A proposal has been received from office of KSHIP-Tumkur for diversion of forest land under Forest Conservation Act to an extent of 16.8014 ha. The diversion is for two laning of road with paved shoulder from Chintamani to AP border. The site inspection of the land involved in the proposal has been done by me on dates 14/12/2020 and 06/01/2021.

On inspection of the site, it is found that 3.7276 ha of the land required by the user agency is Minor forest (of which 2.554 ha is Nachagudda Minor forest and 1.1736 ha is Madarankapalli Minor forest) and 13.0738 ha is Rayalpad State/Reserve forest both adding up to 16.8014 ha.

The requirement of forest land as proposed by user agency is unavoidable and is barest minimum required for the project.

On inspection of site no rare, endangered, unique species of flora and fauna was found in the area.

The user agency has not violated the provisions of Forest Conservation Act 1980 and the proposal is recommended for acceptance in public interest.
