

Site Inspection Report of Divisional Forest Officer, Nagaon South Division, Hojai.

(For proposed 132 KV D/C Sankardev Nagar – Lumding Transmission line A.E.G.C.L., Samaguri)

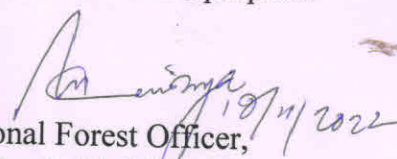

A proposal (Reference No. FP/AS/TRANS/44841/2020) has been receipt for diversion of **9.2 Hect.** of Forest land in **Lumding RF** for non-forestry purpose under FC Act. The proposal has been received from Asstt. General Manager, 220 KV Grid Sub-Station, AEGCL, Samaguri. Today on 19/11/2022, I visited the area and found that the proposed **9.2 Hect.** Forest land is required by the User Agency for 132 KV D/C Sankardev Nagar – Lumding Transmission line by the A.E.G.C.L., Samaguri. Proposed area is covered with trees i.e. Lali, Phool Gomari, Saura, Doodh, Bhelkor, Moj, Tinipati, Teak, Sil Gomari, Haldu, Ahot, Bandardima, Ahoi, Kanchan, Bajiow etc.

The 132 KV D/C Sankardev Nagar – Lumding Transmission line is required by the A.E.G.C.L., Samaguri for supply of electricity to the people.

It is mentioned that the 132 KV D/C Sankardev Nagar – Lumding Transmission line passes through Lumding RF under Nagaon South Division, Hojai. The Lumding RF is a part of “**Dhansiri – Lumding Elephant Reserve**” under the Project Elephant as declared vide the Govt. Notification No. FRW-44/2002/70 dtd. 19/04/2003.

Specific recommendation for acceptance of proposal:

The proposed 132 KV D/C Sankardev Nagar – Lumding Transmission line is the project received from the Asstt. General Manager, 220 KV Grid Sub-station, A.E.G.C.L., Samaguri having public interest. It will improve the distribution of electricity without causing major damage to the forest land, provided mitigated measures are to be implemented by the User Agency as per the existing Guideline. Therefore the permission for diversion is recommended for the aforesaid purpose.

Divisional Forest Officer,
Nagaon South Division, Hojai
