

Inspection Note

Subject: Diversion of 0.4 Ha of forest land in Madikeri division
for implementation of Kodamburu village Sy.No 128, 33
KV line sub station

Inspected the site of proposed 33 KV line Sub-station of Kodamburu village Sy.No 128, along with Assistant Conservator of Forests, Madikeri Sub-division, and Range Forest Officer, Madikeri Range and field staff on 16th October, 2020 walked all along the track and checked the GPS Readings given in the map.

33 KV line Sub-station of Kodamburu village Sy.No 128 is existing in Bhadrakali Devaraku of Madikeri Range. The Substation is crucial to maintain continuity of power supply to 48 Villages of Madikeri District. So it is recommended for renewal.
