

Recommendation Report of the Divisional Forest Officer,
Giridih East Forest Division

The proposed land, measuring of 4.856 ha in Khata no. 2, Plot no. 16 & 18 falls within Paharpur Mouja of Gawan Block of Giridih District. It is notified and demarcated forest area. The area is nearly 75 Km from district headquarter. The district has uniformly distributed and vast forests. Almost all stone deposits of this area falls under forest areas. So the area is prone to illegal mining. The area is very backward and inhabitants are poor.

No rare, endangered or unique species of flora and fauna are found in the proposed area. No any protected archaeological/heritage site/defense establishment or any other important monuments is located in the proposed area.

With the sanction of this project, regular employment will be generated in this remote area. Generation of regular and continuous employment will check the illegal mining and illicit felling in the forest areas. It will certainly be in the interest of state as well as in the interest of local people.

Moreover, the proposal is clean and free from all objections and it is in the public interest. So it is recommended to be allowed.
