The proposal for diversion of 0.6156 ha. of forest land received from Public Work Department is recommended for consideration of State and Central Government under FCA, 1980 as this is in public interest and also:-

- i) This is smallest route possible as per alignment of road.
- ii) This will help in better road connectivity for 200 people of village and improve their lives.
- iii) Minimum forest area and minimum tree felling is required.

Further no Compensatory Afforestation is required as Forest Department will plant trees as per requirements.
