

13. Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons:- (i) *The proposal is recommended as gas pipe line project is a project of national importance. Secondly, it will reduce the dependency on forest for fuel wood. The air & noise pollution will be considerably reduced & the cost of transportation as well.*
(ii) *As the underground gas pipeline project will not have any adverse impact on the wildlife, Site Specific Wildlife Conservation Plan is not necessary in the instant case.*
