

**RECOMMENDATION OF THE CONSERVATOR OF FORESTS,**  
**DINDIGUL CIRCLE, DINDIGUL**

- I have inspected the proposed site for formation of pathway to the Agricultural land in S.F.No 386 and 389 in K.C.Patti Village, Kodaikanal taluk, Dindigul District on 07.04.2023 accompanied with Forest Range Officer and staff of Kannivadi Range of Dindigul Forest Division
- I agree with the recommendation of the District Forest Officer, Dindigul. It is essential for Agriculture purpose and there is no alternate approach path available to the user.
- The proposed area does not fall in wildlife Corridor or movement path of Wild animals.
- There is no Tribal Rights affected in this project.
- There is no archeological and heritage related monuments.

Based on the above facts, I recommend for diversion of above mentioned Reserved Forest area (0.053) to the project proponent.
