

Inspection -notes of Sri G.Lakshman, S.F.S., Divisional Forest Officer, Vizianagaram on the road proposals received from the user agency i.e., Executive Engineer, Panchayat Raj, Vizianagaram for providing B.T. to the road from Goipaka to Ijjakai (via) Pallem Tulesu in G.L.Puram mandal of Goipaka beat, Komarada mandal of Parvathipuram Range on 21.11.2019.

-o0o-

Inspected the proposed road from Goipaka to Ijjakai (via) Pallem Tulesu of G.L.Puram mandal on 21.11.2019 accompanied by the Forest Range Officer, Parvathipuram (i/c) and the concerned staff. The total length of the road proposed is 7.87 kms from Goipaka to Ijjakai (via) Pallem Tulesu. Out of which 4427 meters length is falling inside the Goipaka Reserved Forest in Compartment Nos. 139, 145. The proposed road width is 7.50 meters. The total Forest area to be diverted is 3.32 hectors.

The proposed road was also surveyed by the D.G.P.S. and authenticated by the G.I.S. wing, o/o Prl. Chief Conservator of Forests, A.P., Guntur in Rc.No.EFS02-15034/17/2018-FCA-SEC-PCCF/FCA-3, dt: 10.10.2018. The starting G.P.S. readings with N 19.03529, E 83.50410 and ends with G.P.S. readings N 19.04220 and E 83.50350. I have also checked the intermediate G.P.S. coordinates with reference to D.G.P.S. survey and found tallied.

During the inspection I found no trees are falling on the proposed width all along the road proposed. There is no tree growth along the road proposed and the crown density on the proposed road site is 0.1. During the course of inspection the villagers of Gullalanka, Vadajangi, Kithalamba and Pallam Tulesu (Odisha) have requested to form the road with B.T. for their day to day movement to the hospitals, Schools for their children and marketing their Agricultural products. This is an essential for the movement of all the Departments to extend the Government activities to all the Tribals to bring them in the main stream. Due to Katcha road the villagers are suffering to transport the pregnant women to the Hospitals and carrying "DHOLI" from hill top villages. There is no violation of work taken place and the required Forest area is unavoidable and no endangered and unique species of Flora and Fauna found in the proposed area and no protected / Archeological Heritage importance in this locality.

The District Collector, Vizianagaram has furnished the certificate (Annexure-I) Form-I regarding the completion of process for identification and settlement of Rights under F.R.A. for this improvement of road proposal and also stated that this proposal does not involve Recognized Right of Primitive Tribal Groups and Pre Agricultural Communities.

  
 Divisional Forest Officer,  
 Vizianagaram
