

# Site Inspection Report

**Proposal No FP/AS/Others/120624/2021  
of Dergaon Dimapur Natural Gas Pipeline Project by Indradhanush Gas Grid Limited**

A proposal (No FP/AS/Others/120624/2021) has been received online for diversion of 79.5284 hectare of forest land for non-forestry purpose under FC Act, 1980. As per record **Indradhanush Gas Grid Limited** is the user agency who submitted the proposal. A site inspection was conducted on 18/12/2021 wherein representative of the user agency and Divisional Forest Officer, Golaghat Division was present. As per the proposal, it is a linear project and the proposed area of diversion named as '**Dergaon Dimapur Natural Gas Pipeline Project**' is for spur line from Guwahati Numaligarh Natural Gas Pipeline to supply Gas Demands of North East. Out of the total 79.5284 hectare proposed areas of diversion 27.819 hectare is in Doyang Reserve Forest, 21.088 hectare in Rengma Reserve Forests, 15.575 hectare is in Nambor South Reserve Forests and 15.045 hectare in Diphu Reserve Forests under Golaghat Division. During my inspection it was found that the area proposed for diversion is linear and open land and there is no any tree available in the entire linear stretch of land. The linear line of proposed areas for diversion crosses one small stream in one place and the Doyang River in another place.
