

Inspection note, Finding & Recommendation with reason.

The proposed site was inspected on 16.08.2022. The user agency Divisional Forest Officer, Araria & his Subordinate staff were present and assisted during inspection. The factual details are stated below.

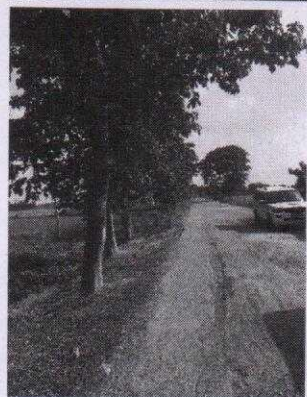

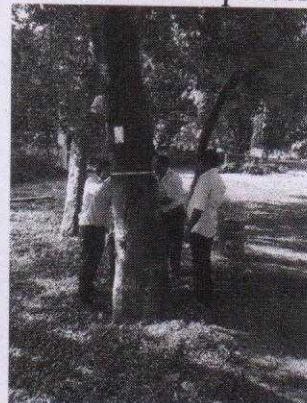

1. The proposal is for widening/upgradation of existing single/inter mediate lane to 2 lanes with earthen shoulders/paved shoulder of Baysi-Bahadurganj-Dighalbank section of SH-99 from 32.035 Km to 45.280 Km under Kishanganj District.
2. This project involves diversion of 19.337 Hectares of roadside notified protected Forest land.
3. This project involves felling of 518 trees/plants and translocation of 572 trees/plants. The species wise details of trees/plants enumeration list is attached in the proposal.
4. There are no rare/endangered/unique species of flora & fauna found in the proposed forest land for diversion.
5. There is no Archaeological site and defense establishment present in the proposed forest land for diversion.

On the basis of the recommendation of the Deputy Conservator of Forest & the inspection done by undersigned, the proposal may be accepted on the following reasons

1. In order to speedy and frequent movement of vehicle, the proposal is very essential as it will help the people of surroundings and passing through SH-99 road.
2. The density of the protected forest is 0 to 30%. The acceptance of the proposal, as it entails, provision of compensatory afforestation as it customary, may help to increase forest density & green cover.

Place :- Purnea
Date :- 17.08.2022
