2. The proposed laying of road from Devakkapet to Thatipally road is along the existing cart track in Bheemgal RF.

**Other observations:**

In my field inspection and report submitted by the Forest Range Officer, Kammarpally the observations are as follows.

1. The proposed area doesn't form part of National Park, wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor and any Eco sensitive zone, etc.
2. The proposed area passes through Southern Tropical Dry Deciduous forest with canopy density of 0.1 to 0.4.
3. No rare/ endangered/ unique species of flora and fauna found in the area. Regarding the flora present in the area, the species commonly found are *Terminalia elliptica*, *Butea Monosparmya* (Moduga), *Tectona grandis* (Teak), *Azadirachta indica* (Vepa), *Pongamia pinnata* (Kanuga), *Wrightia tinctoria* (Palakodisha), *Cassia occidentalis* (Chennangi).
4. No protected archaeological/ heritage site/ defence establishment of any other important monument is located in the area.
5. No work is carried out in violation of Forest (Conservation) Act 1980.
6. In this proposed diversion area there is no forest works carried out till today like Plantation, SMC works, wildlife management works etc..
7. The requirement of Forest land as proposed by the user agency is unavoidable and barest minimum for the project which is 4.938 Ha proposed by the User agency is required in Armoor Division.

**Recommendation:-**

The Executive Engineer, R & B Division, Nizamabad i.e., User Agency has proposed for diversion of Forest Land which is unavoidable and barest minimum for the project. No tree growth is existing in the alignment of above project. Hence the proposals for forest land diversion to an extent of 4.938 Ha for Laying road from Devakkapet to Thallapally road. The is Recommended.
