| 14) | Whether site, where the forest land involved is located has been inspected by concerned Chief Conservator of Forests (Yes/ No). If yes, the date of inspection & observations made in form of inspection note to be enclosed. | : | Yes Date of Inspection – 15/06/2020 |
| 15) | Whether the concerned Chief Conservator of Forests agree with the information given in Part-II and the recommendations of Deputy Conservator of Forests. | : | Yes, I agree |
| 16) | Specific recommendation of concerned Chief Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons. | : | <p>The diversion of minimum forest land is recommended for the following reasons:</p> <p>1.The forest patches proposed by user agency for expansion is in industrial zone only and suitable for expansion as these are contiguous to the existing units and thus site specific.</p> <p>2. Further these are isolated patches of small areas which is not suitable from management point of view.</p> <p>Following additional conditions are also suggested -</p> <p>1. Out of the diverted land at least 20% of land should be maintained as Tree Cover by the User Agency.</p> <p>2. The proposed land is close to Nagpur city, Hence it is recommended to recover the NPV amount as per the market value.</p> |
