**Date of inspection : 08.09.2018**

**Division: Thoothukudi**

Inspected the proposed site along with Thiru. Thirumal, IFS., District Forest Officer(i/c) Thoothukudi Division, the Forest Range Officer, Srivaikundam Range and the officials of TWAD Board on 08.09.2018. The proposed site comprises of already sanctioned area of 0.055 Ha approved in G.O.(Ms) No. 18 Environment & Forests (FR.10)Dept., dated : 07.03.2008 for construction of intake well and the pump room with footbridge. Additionally extra construction of cement concrete passage and the Electrical transformer yard has also been done in the area of 0.025 Ha. Therefore the total area for diversion is 0.080 Ha. The site is about 2.8 mtr. above Thamiraparani River bed. The area is already developed. It was ascertained that the construction was done during 2008 to 2010 and no trees were felled during construction. It is also noted that there is no archeological site in near vicinity.
