

TO WHOM IT MAY CONCERN

Name of the Project: System Strengthening Transmission Project under Prime Minister's Development Package (PMDP) 2015

Name of the Transmission Line: LILO of 220 kV Udhampur-Gladni D/C Transmission Line at Nagrota GSS.

Brief Narrative:

LILO of 220 kV Udhampur-Gladni D/C Transmission Line at Nagrota along with new substation at Nagrota is to be established in Jammu District of Jammu & Kashmir under PMDP-2015. The said transmission line is extremely important to provide uninterrupted, reliable and quality grid power supply to upcoming and existing load at Nagrota and its adjoining areas.

UNDERTAKING FOR MUCK DISPOSAL

The Jammu & Kashmir Power Transmission Corporation Limited hereby, undertakes that the earth cutting quantity excavated during the construction of tower foundations will be re-used for backfilling of the foundation pits. The remaining muck (if any) shall be levelled around the foundation area only. Thus, there will be no un-utilized muck and hence no land is required for Muck disposal.
