

**FULL TITLE OF THE PROJECT:-**

Construction of parallel bypass road from Old Bridge Kupwara upto steel bridge Geerhatti Kupwara.

**Proposal No:-**

FP/JK/Approach/49411/2020

**Date of proposal:-**

04.09.2020

**Sub:-** (EDS point No. 05), clarification regarding categorizing the forest area under very dense category/calculating NPV thereof.

**Ref:-** Chief Conservator of Forests, Nodal Officer FCA, communication No:- PCCF/FCA/3176/5391-93 dt:-24.01.2022.

It is reported that since the canopy density of proposed area to be diverted and the entire comp. 01/NL is very dense having density 70% and as such NPV has been assessed/calculated on the basis of revised NPV rates dt:-06.01.2022 and incorporated in the proposal for very dense forest. It is as such requested/recommended that the case may kindly be approved under the provisions of FCA, 1980 please.
