-----

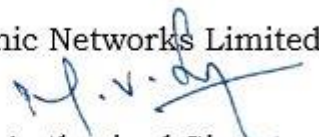

With reference to above subject, I submit the details as follows:

The Conservator of Forests, Vellore circle was pointed some shortcomings vide his reference 4<sup>th</sup> cited, wherein he informed that as per the field conditions for a width of 0.60 meter as depth of 1.00 meter depth is sufficient.

Hence, we accept and assure that the trench depth will be 1.00 meter in this stretch as instructed by the Conservator of Forests. Accordingly we revise the appropriate documents and certificates and uploaded the same in the portal.

This is for favour of kind information and necessary approval.
