| b. Sri Suryabhushan Kumar | RFO, Chatra |
| c. Md. Shahid Rahmani | RCM (PMC) |
| d. Sri Arpit Singh | Sr. Engineer |
| e. Sri Rahul Singh | Sr. Engineer |
| f. Sri Rahul Kumar | Site in charge |

A site inspection was carried out on 19.10.2023 in the presence of the above-mentioned persons. The findings of the inspection are mentioned below :

The proposal has been submitted for diversion of 0.2846 Ha of forest land in Chatra South Forest Division for laying of 4 inch dia steel domestic CNG distribution pipeline along ROW of existing roads. The proposal for diversion involves 0.0746 Ha of notified forest land and 0.2100 Ha of GMJJ land.

The project will cater to the domestic energy needs of the people of Chatra district and would help bring down the dependency of people on fuel wood.

No rare/ endangered/ unique species of flora and fauna could be found as the area has already been broken.

No protected archaeological/ heritage site/ defence establishment or any other important monument is located in the area.

Mukesh
