

INSPECTION REPORT

The requested land area for Pipeline and Pump Room from TWAD Board, Karur in Vangal RF of Karur Range and the site has been inspected on 07.02.2019 with Forest Range Officer, Karur and Assistant Engineer, TWAD Board, Karur

The proposed area for Pipeline is a linear stretch of Reserved Forest land to a length of 500 meter and width of 0.6 meters (0.05 Ha.) in Vangal RF. The Proposed area for Pump room is 0.0012 ha.

The land area is under TAFCORN lease on plantation with Eucalyptus. The requested layout of the Pipeline and Pump Room linear stretch is devoid of vegetation as well as Eucalyptus plantation. It is left as such may be for TAFCORN Plantation purpose.

The requisition is from the TWAD Board, Karur for supplying drinking water for Manmangalam and 71 other habitations. This diversion will not make any impact inside the Forest area.

District Forest Officer,
Karur Forest Division,
Karur.
