Undertaking

It is to undertake that there are four patches involved in the forest proposal of Piparwar OCP (43.30 Ha). However while uploading the patches against point no. C (ii) on PARIVESH portal, patch no. 2 is showing some error and reflecting "No Data" therefore the area against patch no. 2 has been entered as "0" and actual area and KML of patch no. 2 i.e "24.22" has been uploaded against patch no. 5.

All the four patches have been uploaded. Patch details are as under:

Patch No.	Area (In Ha)	KML
1	2.43	Patch 01
2	0	No Data
3	15.18	Patch 03
4	1.47	Patch 04
5	24.22	Patch 02

Yours Faithfully
