Recommendation Letter

Name of the Project:(Proposal No.FP/KA/IRRI/47729/2020)

Diversion of 0.419 Ha Belagavi Dn, and 0.541 Ha of Gokaka Dn, Total 0.96 Ha forest land for construction of Godachinmalki LIS, Stage-II (Laying of underground pipeline) in Gokak Dn, Rajankatti Sy No.1^a, Khangaon Fs No. 755, Fs No.711,Fs No. 580, Fs No. 703 And FsNo. 762 villages of Gokak Taluka, Belgavi District.

I have inspected the Proposed area for diversion on 13/12/2021. The area proposed for diversion is well demarcated on the ground. No rare/endangered/threatened species of flora and fauna is found in the proposed area for diversion. The requisition of forest land proposed for diversion is minimum. The area is fairly flat land with small tree vegetation and planted species.

Keeping in mind of the above facts and my site inspection report, I am of the opinion to recommend approval for diversion of 0.541 Ha of forest land.

Deputy Conservator of Forests,
Ghataprabha Division, Gokak.
