

**Site Suitability Certificate for Non-Forest CA Land**

The District Collector, Nalgonda Roads has identified 3 acres (2.21 Ha) in Sy No. 237/2 in Chityal village of Adavidevulapally Mandal, Nalgonda for the purpose of Compensatory Afforestation in lieu of forest lands proposed for diversion for the Construction of Permanent Helipad adjoining Potti Sritamulu Telugu Vishwa Vidyalayam university and District Collectorate office of Nalgonda district in favor of R&B (NH). Accordingly, the area has been inspected by the Forest Divisional Officer, Nalgonda along with concerned Forest Range Officer, Miryalaguda. The details of the Non-Forest land for CA area as shown below:

District	Division	Range	Mandal	Village	Sy.No	Area in Ha
Nalgonda	Nalgonda	Miryalaguda	Adavidevulapally	Chityala	237/2	1.21

The Non-Forest CA land is hillock and covered with tree growth and it is not possible to take up plantation in the said area. To protect the CA lands from biotic inference and encroachments, chain-link fencing and engaging a watcher is proposed. For improvement of existing Forest growth activities Soil & Moisture conservation works and formation of Water harvesting structures shall be taken up to gain the impact of such structures over the vegetation growth in the proposed area. The land is free from all sorts of encumbrances and encroachments. A detailed CA scheme prepared and enclosed

To meet the requirement of planting minimum 1000 plants/ ha, raising of plantation in 1.1509ha of degraded forest land has been proposed
