CHECK LIST FOR SERIAL NO:- 10

JUSTIFICATION FOR LOCATION THE PROJECT IN FOREST AREA TO BE SUBMITTED BY USER AGENCY AND COUNTER SIGNED BY DFO

As per Authorization received from PNGRB, M/S BPCL is in the process of laying of Natural Gas Pipeline to provide PNG/CNG fuel to residents of Rohtak as City Gas Distribution Project. For this we will be laying 10" Dia CS Pipeline in Row of National Highway NH 71A (New NH 709) from CH 13.380 to 20.880 Km for which Row charges/Approval in form of License fees has already been paid to NHA. Since this is the main steel pipeline route to connect Rohtak city from nearest available IP station of natural gas distribution agency M/s GIGL.

Further, all CNG Stations and Colonies are falling along this Road as mentioned above and there is no alternate route to complete the pipeline connectivity, therefore it is necessary for us to use your forest land for laying of PNG/CNG pipeline by trenchless and open cut method as per suit at site condition.
