

## Environment Plan

The Proposed School Atal Adarsh Vidyalaya Satyas is at village Satyas PO Satyas Tehsil Churah District Chamba H.P.

The Proposed site is quite stable and is approx on the 10-20 slope. The strata of site is also very hard and there is no chance of erosion of land cause of construction.

The construction of School shall not create much effect to the aquatic ecosystem.

Design facility/layout has been proposed keeping in view all the environmental aspects. Muck management plan has already been supplied with the proposal and uploaded on the portal.

Prior selection of the site a detailed consultation with local Pcb/ environmental Engineer was taken.

Further for the disposal of toilet/sanitation garbage proper septic tank and open tank for disposal of other garbage shall be constructed in the proposed forest land.

Further, we again submit that, this site is at very centre place and a huge population/villages shall be benefited with this School.

Dated: 7/3/2019

From: Environmental Engineer

To

The Deputy Director Elementary Education,  
Chamba, Distt. Chamba (HP).

Subject: Issuance of NOC for transfer of land Under Section 118 -regarding.

Sir,

Please refer to your office letter No. EDN-CHM-Ele(G-i)(Build(New Model School))(3)(Vol)2018-19-10152 dated 03/01/2019 Regarding issuance of NOC for diversion of Forest Land for the construction of Model School at Satyas, Tehsil -Churah Distt. Chamba (H.P.). In this connection, in compliance to instruction issued by the permission to get the land transferred by non-agriculturists under section 118 of the H.P. Tenacy and land transferred Act, 1972, the land comprising of Kharsra Nos, 1013/977/744/1 of the total area of 35 bidha 15 Biswa (2.89 ha) Mohal & Mouza Satyas, Pragana Baira, Tehsil-Churah Distt. Chamba was visited on 21/02/2019, the site is suitable from pollution angle for construction of Model School, hence NOC from pollution angle for the diversion of Forest Land for the construction of Model School at Satyas under section 118 is issued subject to the following conditions;

1. The prior Environmental Clearances, if required shall be obtained from Govt. of India under the provision of EIA-2006.
2. The NOC is only under and for the purpose of the provisions of the Water act, 1974 and Air Act, 1981 and shall in no way be used for the purpose of any other mandatory clearance/MoEF, Govt. of India and permission required to be obtained by the proponent under any law(s) or directions.
3. Prior Consent of the State Board shall be obtained before undertaking any steps to establish the project under Water Act, 1974 and/or Air Act, 1981, as the case may be.
4. Transfer of land shall be governed only by the regulations and provisions prescribed by Revenue Department and this NOC alone shall not entitle the applicant to purchase/acquire land.
5. The School Management shall maintain the operation of Sewerage Treatment System for the treatment of domestic waste water, Rain Water Harvesting & Systematic disposal method of Solid Waste.
6. This NOC issued shall not confer any right on the applicant to establish the project unless the Revenue Department has actually allowed the acquisition of Land.
