Sir,

Please refer to EDS for the existing drill site SUAA, where new well DPDA is to be drilled.
Clarification for the EDS is as given below:

Sr. No.	EDS	Reply
1.	M-1.(i).(c)- No action has been against our E-communication dated 11/12/2018 to upload a copy of approval letter of the State Mines and Geology Department instead of copy of grant of petroleum mining lease to ONGC for Golaghat district PML area. So upload the same.	The Petroleum Mining lease for Golaghat District where SUAA drill site is located was issued by Government of India on 22 nd June 2018. In the PML issued it was erroneously addressed to Government of Gujarat instead of Assam. Request for rectification of order from MoP&NG Government of India is made and after correct order is issued that would be submitted to Government of Assam. Moreover, as soon as PML certificate is issued by Government of Assam it would be submitted to you.
2.	M-3-(i)- No action has been against our E-communication dated 11/12/2018 to upload a copy of original prospecting license issued by Govt. of Assam, in the prescribed column instead of copy of grant of petroleum mining lease to ONGC for Golaghat district PML area by GOI, Ministry of Petroleum & Natural Gas. So upload the same.	As mentioned above.

Submitted for your information please.
