**Point No.3:** Total 7 Nos of trees coming in the alignment and the entire tree to be felled as the same are unavoidable for the construction above mentioned SHEP.

**Point No. 8:** It is again informed that the Forest Advisory Committee in its meeting held on 11<sup>th</sup> May, 2022 held that "approval granted under the FC Act, 1980 for mining project mostly carries conditions pertaining to preparation of Wild Life management or Soil and Moisture Conservation Plan by the State in consultation with the Institute of repute".
