Proposal No. : EP/PB/IRRIG/60833/2020 Date of submission : 21/11/2020

### CHECK LIST SERIAL NUMBER-28

#### NOC OF THE STATE POLLUTION BOARD CLEARANCE

The area of villages Jeowal, Bhatoli, Baruwal, Massewal, Majher, Chikna and Nard is to be provided irrigation water through lift irrigation scheme under this proposal. This scheme envisages lifting of water from Anandpur Sahib Hydel Channel through pumping sets and transferring the water to delivery tanks situated at strategically selected points for re-distribution under gravity flow. The water is then proposed to be supplied in the fields through different supply lines to feed the whole cultivable area as per natural slopes. The lifting will be done through M.S. rising mains from source of supply to Distribution-Tank and water for irrigation will be supplied through P.V.C. underground pipe lines of different diameters by gravity flow into fields.

Hence , there is no requirement to obtain the NOC of State Pollution Board.
