Dear Sir,

We would like to bring your kind notice that we have applied for Forest Clearance for the diversion of forest land for approach road to and from Ubbalagundi Iron Ore Mine ML No. 008 (old ML No. 995) in Ubbalagundi Reserved Forests, Ballari Range, Ballari. The proposal was accepted by the Nodal officer and forwarded further for the grant of in-principle approval. While processing the same, the Govt. of India has instructed to use the existing approach road which was used by the erstwhile lessee. Subsequently, we have advised from good office to re-examined the proposal and revised the necessary documents as per the revised alignment.
