Dt. 30th September 2021

TO WHOM IT MAY CONCERN

I, Dr.K.Bayapu Reddy hereby declare that I am a retired Professor and Head of the Department of Ecology and Environmental Sciences from Acharya Nagarjuna University. I was a consultant for the Government of Andhra Pradesh for River valley Projects during 2004 -2007. From 2007 to 2013, I was a member of the SEAC, Andhra Pradesh. From 2014, I am providing services to five different ACOs as a FAE in EB&SC (Category A)

I hereby declare that I have vast practical and research experience in the field of Ecology and Biodiversity. I certify that I carried out the survey of Ecology and Biodiversity of the proposed Mica, Quartz and Feldspar mine of P.Dilip Kumar in the 4.89Ha Forest land located in Compartment No.121 of Utukur RF, Nellore Division during September 2021 and that the report has been prepared by me. Entire list of flora is based on my own survey of the core area and the buffer zone while the fauna is based both on primary and secondary data. Further certified that the report is prepared in accordance with the objectives and the purpose.
