Justification for locating the Project in Forest Land and Details of alternate examine:

Name of the Project: Laying of OFC along road side of Sankarapuram to Arakandanallur road section from Kulathur to Nariyandhal across Kaduvanur R.F. and Swamimalai R.F.

Location:

Laying Optical Fibre Cable along the road side of Sankarapuram to Arakandanallur road section from Kulathur to Nariyandhal. Road passing between from Kulathur to Athiyur of Sankarapuram Taluk, Kadambur to Madampoondi and Madampoondi to Nariyandhal of Thirukoyilur Taluk in Villupuram District.

Details of the Project:

The Optical Fibre Cables are always laid along the road side due to easy supervision, quick maintenance and low cost of maintenance. The applicant does not have to acquire land for this project purpose, as the road side land is under the control of State Highway / National Highways Authority of India. However the land classification is forest land.

The area requested for the laying of the Optical Fibre Cable is the minimum considering the requirements and also considering the safety of the cables so laid. Since the telecommunication cables also carry the communication from the Government Offices, Defence & Strategic Establishments and from the different industrial organizations apart from the general public, for the safety and confidentiality of the conversation so made it is not advisable to lay such important cables on the private land belonging to different parties.
